NOTE FOR: Director of Central Intelligence

SUBJECT : Chairman, Fine Arts Commission

Bill:

As you are undoubtedly aware, [] is doing an extremely fine job as Chairman of the Fine Arts Commission. In view of the fact that his term in office would normally expire at the end of this Fiscal Year, I took the occasion to discuss this with him at a meeting on 12 March 1974. Ed volunteered to take on the Fine Arts responsibilities for an additional year, and I quite readily accepted his very gracious offer, as we are quite fortunate to have his services.

STAT

I felt you would want to know about the appointment for an additional term, and I intend to express my thanks to Bill Nelson for making Ed available for these extra responsibilities.
